

Pennsylvania State University
Spring Semester 2011
MATH 220: Matrices

Course Information for Section 003

Last updated February 11, 2011

Instructor

Dr. Stephen G. Simpson
305 McAllister Building
simpson@math.psu.edu

Office hours

Wednesdays and Fridays 2:00 PM to 3:00 PM, and by appointment.

Homework

Homework assignments will be posted each week before Tuesday at

<http://www.math.psu.edu/simpson/courses/math220/>

and collected in the following Tuesday's class. Homework must be handed in on time, stapled and legible. Late homework will not be graded. In each homework assignment, only five selected problems will be graded. Your two worst homework assignments or quizzes will be dropped for grading purposes.

Quizzes

There will be some quizzes in this courses. Most problems in the quizzes will be similar to the homework problems. For grading purposes, each quiz counts the same as one homework assignment.

Syllabus

The latest version of the syllabus is on-line at

<http://www.math.psu.edu/simpson/courses/math220/>.

Please note that the syllabus is subject to revision from time to time.
